1.17) What improvements to the course, or to the teaching, could you suggest?

good!

Less Tutorial Q's too Long-Winded
However, lecturer was fantastic!

You are best. 😊

lecture theatre was freezing for every lecture.

the location was horrible! most days it was as cold as outside
waters never working.

Reading material is ~~too~~ extensive in correspondence
to lecture slides.

Room too cold

The lecture room is far too cold to sit in for 2 hours.

Hisayuki Yoshimoto was very nice and helpful
The class could be made more interactive → less power
points and more problem-solving in lectures (showing how)
